The Jewish and Roman Orthodox Catholic and Christian Churches (JROCCC) have **deliberately lied and hidden the truth from** us for 2000 years. Which means that to find the truth we have to DECODED THE BIBLE ourselves? Do not bother asking a minister or Christian to do that because the average JROCCC member belongs to the **USELESS SHEEPLE TRIBES around the world**.

Ezekiel, as a prophet, acts as a "watchman" (Ezekiel 3:17) appointed by God to warn Israel, distinct from the Watchers (Grigori) in the Book of Enoch. The Enochic Watchers are fallen *elohim* (sons of heaven) who abandoned their post to corrupt humanity, while Ezekiel's context involves cosmic judgment, sometimes referencing "fallen" warrior spirits. TheTorah.com +4

- **Ezekiel as Watchman:** In Ezekiel 3:17, God appoints Ezekiel as a *tsaphah* (watchman/spy) to warn the house of Israel of impending judgment. This is a role of spiritual protection and warning.
- **The Watchers (Enoch):** The Book of Enoch describes angels (Watchers/Grigori) dispatched to Earth who, led by Samjaza (or Shemihaza) and Azazel, fall from grace due to lust for human women, teaching forbidden knowledge and creating the giant Nephilim.
- **The Fallen in Ezekiel 32:** Ezekiel 32:27 refers to fallen warriors (often interpreted as *Nephilim* or "the fallen" — *nophlim* in Hebrew) who descended to Sheol with their weapons. While similar in name, this passage relates to the judgment of pagan nations rather than the specific fall of the Watchers in Enoch.
- **The Connection (Stones of Fire):** Ezekiel 28 describes the King of Tyre, often interpreted as a "fallen angel" figure, as being on the "holy mountain of God" and walking among "stones of fire". This imagery links to the cosmic setting of fallen watchers before their descent, according to Dr. Michael Heiser.

While distinct entities, both the Watchers of Enoch and the thematic content of Ezekiel deal with divine judgment, angelic rebellion, and the corruption of earthly design by celestial beings.

Notice Above that these Nordic Alien Fallen Watchers aka the evil Elohim descended into Sheol aka inside the earth with their weapons which would include UFO's. I believe our earth was once a paradise until aliens came into our 3 dimensional world and from inside the earth, where they have base camps today, to corrupt all that was good on earth before they are judged.

Keep in mind the Bible referred to these vehicles as the "Chariots of Fire" the "Glory," "Whirling Wheels," "Kavods," "Ruach" and by many other names.

Google Maurio Biglino and Paul Wallis for their data. The have wonderful data that comes straight from the original Bible texts, etc.

"Throne Room of the Gods"

The pilots of these vehicles that "Flit and Flew" in the sky in their "Chariots of Fire" were the evil "gods of the various

tribes in the Middle and Far East etc., and were described as **"demons in disguise."** The Bible tells us that they were other dimensional beings just as Jesus was described when you read into the texts and do it with the knowledge of symbolically. The Jews hated Jesus because he was the son of the creator of our world. Like the Apostle Paul states, Our Heavenly Father was "the creator of all and everything." The gods of the Old Testament were **EVIL BEINGS.** That is the first thing you need to come to terms with in order to figure all of this out when you use the Bible as a resource. This does not appear to be WOO! WOO!

THE BOOK OF EZEKIEL

- In the Book of Ezekiel, part of the Hebrew bible, a prophet has a vision of a flying vessel which is followed by fire, smoke and a loud noise. Some ancient alien theorists have argued that the vehicle's design closely resembles that of a modern spaceship. Rather than a divine intervention, perhaps the text describes an early encounter between humans and alien astronauts.

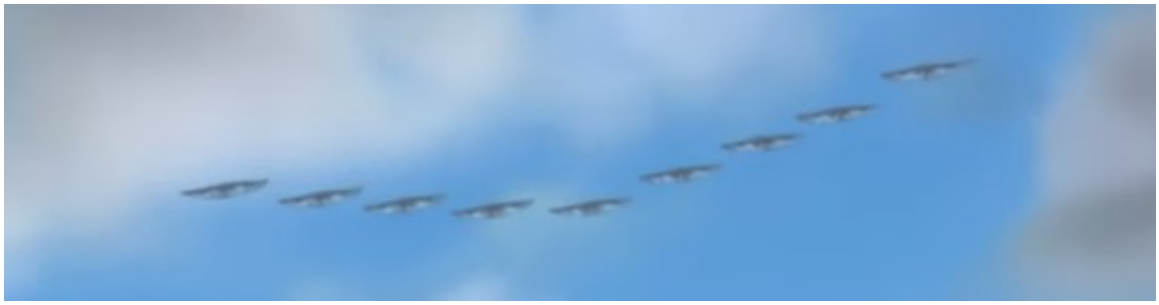
they look like vehicles with engines. We have been lied to.

ALIENS WHO FLIT AND FLY IN THE CLOUDS IN THEIR UFO'S
INTEND TO CRUSH HUMANITY

I ALSO CHOOSE TO ASK TH SCIENTIFIC EXPERTS INSTEAD BUT FIND ALL THEY CAN COME UP WITH ARE THEORIES



On June 7, 1947 a pilot by the name of Keith Arnold spotted a group of 9 UFO's flying in formation. He described them moving like saucers skipping on water. That is where the term "flying saucer" came from.

Next came Roswell and the rest moved into our recorded period of history where "the gods" have turned into aliens who seem to have returned just as End Time Prophecy states.

The Birth of the Modern UFO Phenomenon

It was also around that time that others were reporting their sightings. This timing goes along with End Time Prophecy warnings. UFO sightings have been spotted through out history but recently we have been seeing them regularly in our skies.

I have never seen one myself I am just the researcher and reporter as many others who delve into these subjects are today.

What I am finding myself is that is that TECHNOLOGY is being used to produce and project so many of these objects in the skies.

In the old days I would tell someone if you see an object in your field throw a rock at it because it may not actually be there.

This may be a projected image

This looks like it could also be a projection or pop in that was placed there. So many of these do not show up on radar. I do not think the radar is malfunctioning, I think these may be projected images in the sky.

"Wheel within a wheel" is a famous phrase from the Book of Ezekiel in the Bible, where the prophet describes a spectacular, mind-bending vision of God's chariot (the Merkavah). Lev Haolam

The phrase describes giant, glowing, intersecting rings that could travel perfectly in any direction without turning, with rims completely covered in eyes to symbolize divine omniscience. Bible.com +2

It seems to have become my job, my calling so to speak, to expose all of this today along with others who are doing the same thing.

DO NOT THINK FOR A MINUTE THE NAZI MOVEMENT ENDED IT SIMPLY MOVED UNDERGROUND OR AS THE BIBLE INDICATED INTO SHEOL TO EVENTUALLY BECOME THE ASHKENAZI ZIONIST SHEPHARDIC JEWS AND MEROVINGIANS NWO DEEP STATE MOVEMENT TODAY WHO IS ATTEMPTING TO INSTALL THE NEW ALIEN WORLD ORDER.

Is this a UFO ON FLAT BED TRUCK?

The unusual object traveling through Cowley County, which was the cause of much conversation Monday morning, was a U.S. Navy drone.

Hauled on a large flatbed truck along U.S. 77, area residents got a look at a 32-foot-wide, dull gray, wrapped apparatus shaped like a flying saucer and featuring flashing red lights.

Reports were that the object is a Navy drone, which — after wings are attached — will fly from aircraft carriers.

One clearance location of concern was the bridge north of Winfield, which only is 35 feet wide.

Local emergency management officers, along with members of the Arkansas City and Winfield police departments and Cowley County Sheriff's Department, were on hand to control traffic as the aircraft was transported through Cowley County to Maryland.

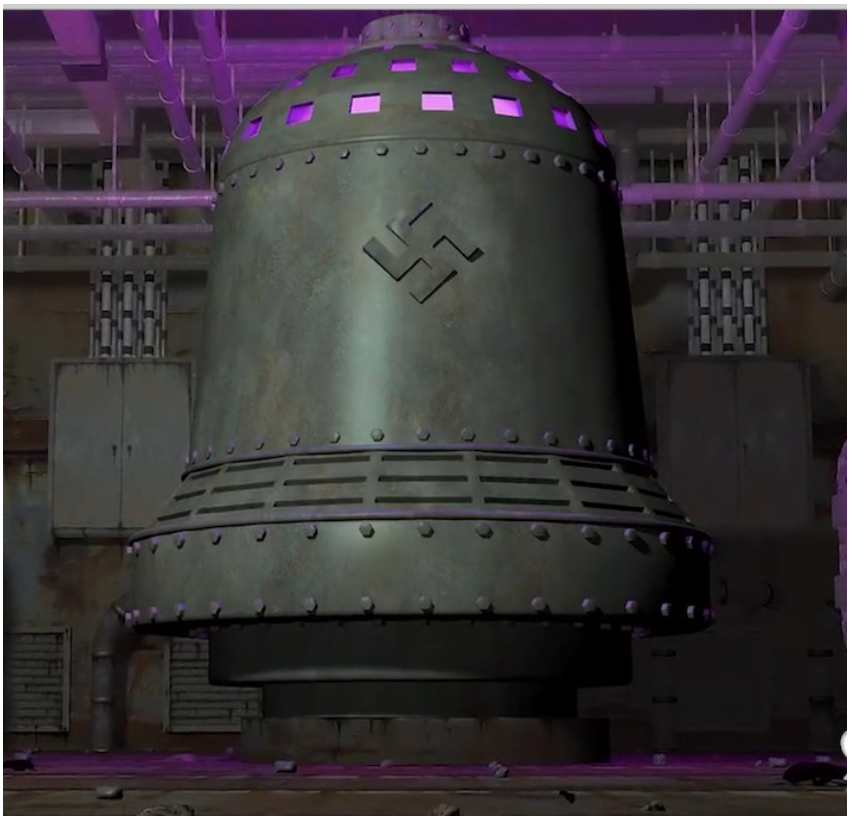
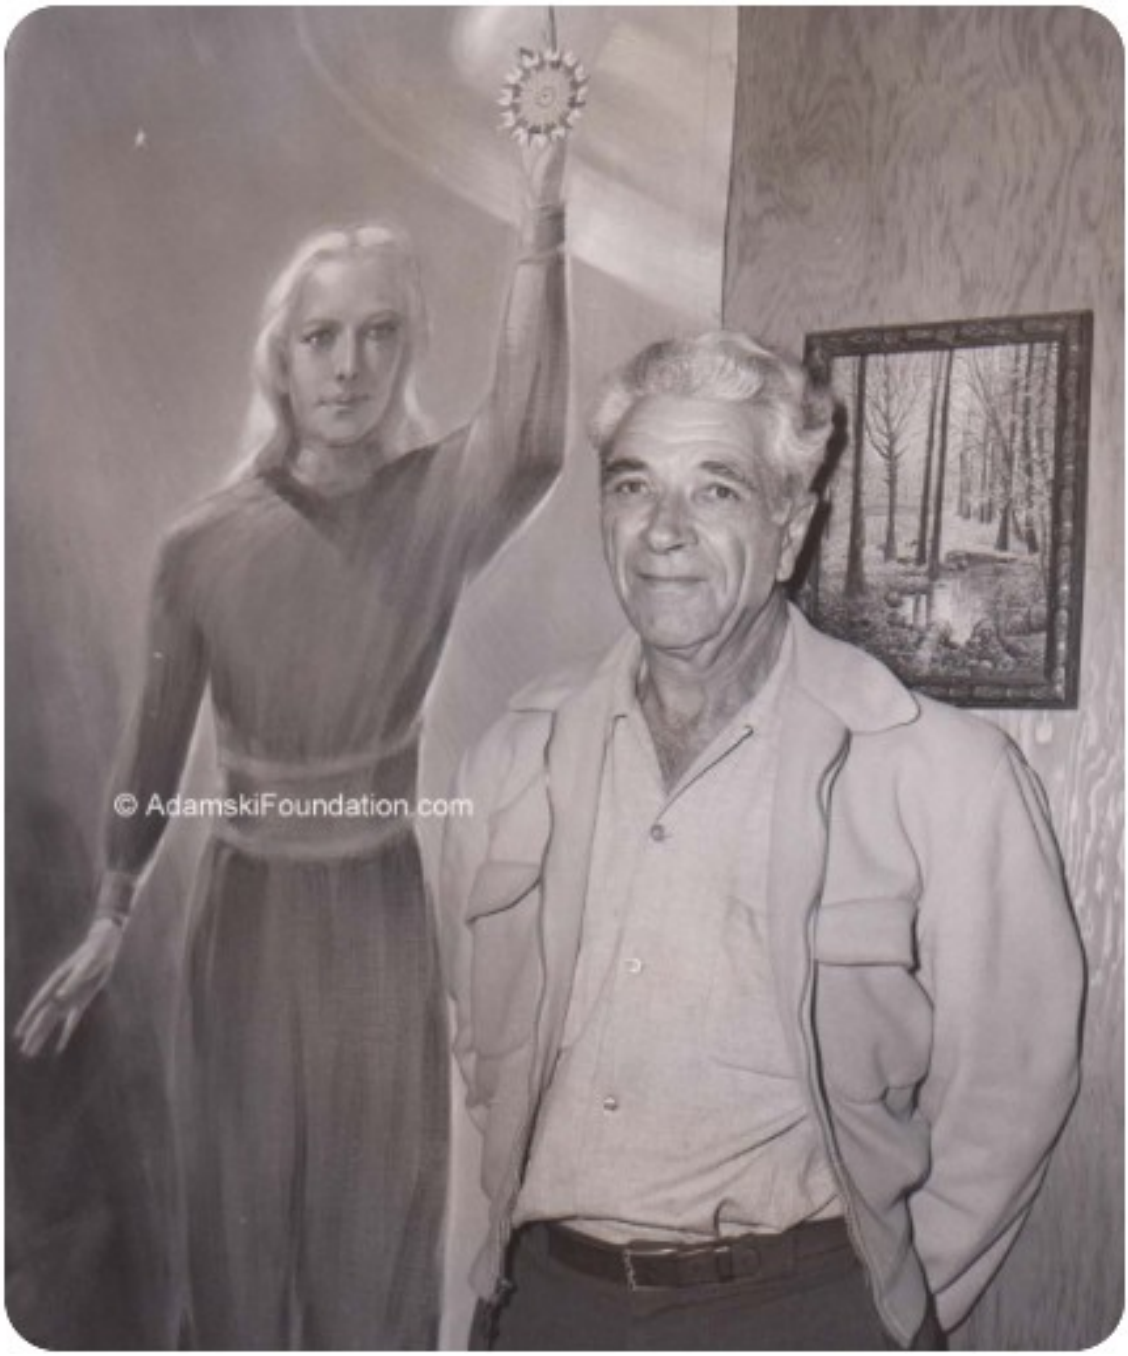
HERE ARE SOME OLDER PICTURES FROM MY VAST COLLECTION THAT MAY NOT ALL BE CGI OR AI ETC.



If I remember correctly it is very hard to tamper with the old Black and White pictures or images

These sightings go back to the beginning of the black and white photograph technology era.



Notice that the painted image of blonde female alien could easily have been a Aryan from Hitler’s underground alien base in Antarctica

As I look at fuzzy pictures like this what comes to mind is they are projected images. As if the lights could be coming from the openings of tractor beams. May be we should tell Scotty to shut of the lights.

The objects were flying in a V-shape or a diamond-shape and even an enormous Saint Andrew's cross

Why the Coverup Happened:

- **National Security:** The government needed to protect surveillance aircraft and aerial technology (such as Area 51 stealth tests) from being identified by the public or adversaries.
- **Public Safety & Social Stability:** Officials aimed to prevent mass panic, believing the public could not handle the potential truth of extraterrestrial life. LiveNOW from FOX +3

Documentation:
Numerous documents are available in the CIA Reading Room detailing the history of UAP investigations and the agency's efforts to keep their studies quiet, including information on the 1952 Washington D.C. UAP incident and the subsequent, often contradictory, intelligence efforts to explain it away.

Key Aspects of the CIA/Government UAP Coverup:

- **The Roswell Incident (1947):** The military quickly pivoted from reporting a "flying disc" to claiming it was a research balloon, with later reports suggesting an extensive effort to hide recovered non-human materials.
- **1950s/60s Disinformation:** A 1997 CIA study found that the Air Force and CIA knowingly used false reports and misleading information about UAPs to protect sensitive national security projects, such as U-2 spy plane tests.
- **Active Concealment:** The Robertson Panel (1953) recommended that UAP intelligence be treated differently than popular reports, urging a reduction in public interest and a focus on keeping government involvement secret.
- **"Petrified" Soldiers (Soviet-era):** A declassified CIA document (often quoted from the CIA Reading Room) describes an alleged incident where soldiers were attacked by a UFO and turned into limestone-like material, though it was framed as a, likely, tall tale to showcase Soviet paranoia.
- **Modern Revelations:** Recent testimony from former intelligence officers indicates the government holds secret, non-human material (referred to as "biologics") and that advanced, unexplained vehicles have engaged or monitored military bases. NPR +6

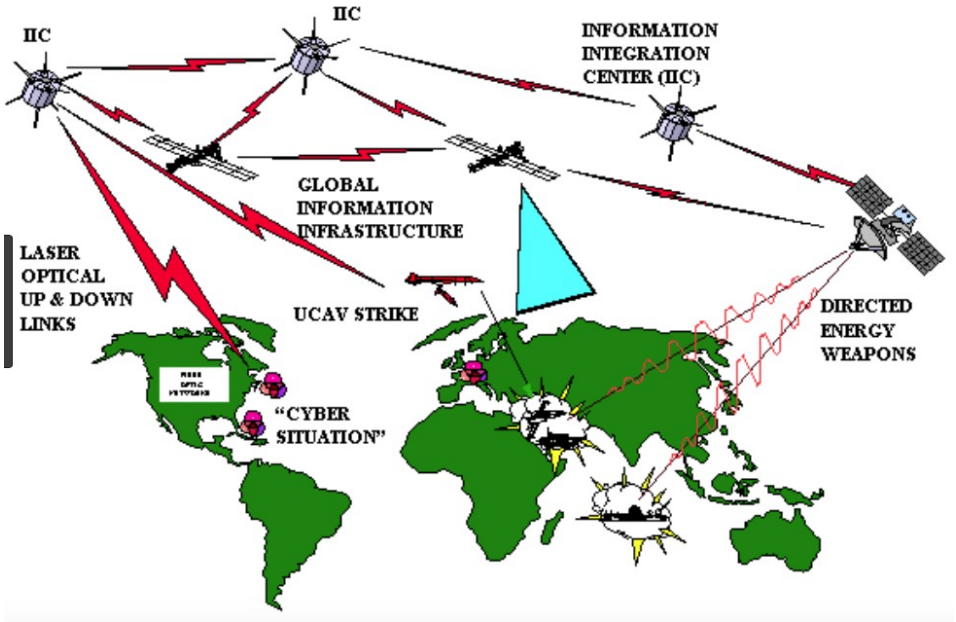
Our Shadow Government have their own UFO's

In the 1930's the Nazi's were building their own UFO's. As a matter of fact I believe that the Nazi’s are behind most of the

passed and current abductions and I believe that our own Shadow Government is also involved and has their own fleet of UFO's. Further, I believe our own Shadow Government along with their Nazi partners and actual aliens will join efforts to bring on a FAKE ALIEN INVASION OF SOME KIND as a last attempt to install their New World Order.

When I go to science for answers, I click on video's like this one above that PUT ME TO SLEEP because I am not a scientist who understands their data and because they can't seem to come up with answers. I think it is because these evil gods aka aliens a their ground forces live right under our feet and when they travel into other dimensions or OUT THERE SOMEWHEERE that they are sucked up by a reactor beam. I think they radio SCOTTY and say "BEAM ME UP SCOTTY." I think the 411 Missing Persons cases are being BEAMED UP the same way.

BEAMED TECHNOLOGY GRID



In my opinion, Psychics Prophets and Mediums are not talking to god they are communicating with whoever was clocked in at the time using Voice to Skull Technology also known as "THE VOICE OF GOD" technology.

OSI ORGANIZED STALKING INFORMERS

I also believe many UFO's that we see are projections of alien aircraft being projected from a computer to a satellite and from the satellite, they are projected into the sky above us.

What the Nazi’s our Shadow Governments and Military and aliens are doing is planning to set up what prophecy refers to as the End Time Delusion of Mankind for global control.
